HOT SHEET- DATE

Hot sheet is a recap of what you shot that day/night and any special notes for post

Field Producer:
Camera Crew: A
Location, Shoot day (1, 2, 8, etc)

Palazzo Pool:

The group enters the crazy crowded Azure pool area and they check out their nicely appointed cabana. The Cuca Fresca people have a rum bar all set up for them. Everyone immediately grabs cocktails and mingles under the tent. XX can't help herself and she jumps up on the coffee table and dances around.

XX tries to get XX to do a shot but he refuses/fakes it at first. He gets another shot and downs it! XX is happy. XX takes off his shirt and lies on one of the lounge chairs in front of the cabana. XX is close by him usually but they are not touchy feely or anything.

E spends a lot of time trying to get all the girls out of their wraps to show off their bikinis. The girls protest at first but E's persistence eventually pays off.

X and X pull X into the cabana and kick everyone else out. They draw the curtains so X can drop his shorts and put on his special speedo with "X's Toy" written on the butt. (We had a camera in the cabana shooting this.) He puts plastic shackles and chains on his arms and a ball and chain on his ankle. He climbs up onto the coffee table with his backside facing the crowd. X and X pull back the curtain and everyone (like every single person at the pool) roars with laughter when they see him standing there! He flexes and eventually breaks the chain going across his back. It's a riot!

They all have a blast while they get wasted by the pool.

Dinner at XX

Later at dinner, X says that X looks like Veronica Lake, an "old" movie star. X has absolutely no idea who she's talking about and X says, "You're too young".

The food comes out; food porn.

Limo to Strip Club – Guys.

We see the guys get on the party bus. They talked about the last chance of freedom thing. “PARTY! WOOO!” etc.

Shots of the guys exiting the bus and being greeted by the club manager. He escorts them through the club and to their VIP area. They take their seats and proceed to act bored while they take stock of the club.

We see the guys get on the party bus. As they are about to leave, their buddy what’s his name pounds on the door, late. They celebrate his arrival. NOTE: This was not captured here well due to time constraints so we picked it up later outside of the club. The guys were in full food coma on the (short) bus ride and had to be prompted again and again to show some energy. They talked about the last chance of freedom thing. “PARTY! WOOO!” etc.

Meanwhile, limo to the casino – Girls.

The ladies pile into the limo. Once they get settled they start to hand X small gifts like a sash and a blinking tiara. She pulls out a HUGE plastic diamond ring, “Look! It’s X’ ring!!” They take photos of each other wearing the crazy flashing glasses, tiara and other stuff.

Gambling at the casino:

Once inside they find their craps table and start rolling those dice. They are sort of broken into two halves so when the ladies at the far end throw the dice a dealer at the other end tells those ladies if it’s a winner or not since none of them really know how to play.

As they sit at the foot of the gaming table XX receives a text from XX. It’s a tight shot on X’s face with a stripper’s tit practically shoved in his mouth. The ladies are shocked! Another photo comes in. Yikes! Looks like X’s having too much fun!

NOTES:

The strip joint scene was supposed to end with some sort of resolution between X and X out in the hall but that didn’t happen b/c X was so drunk. X and X getting yelled at by X was unfortunate and unexpected. We’re not sure what X was thinking when he said all of that.
